

TAKENGO

## How It Works?

Our product, the Take N Go's **empowHER kit**, is a thoughtfully designed on-the-go solution for active women. It contains beauty and personal care essentials like pocket tissues, lip balm, a nail file, two pads, and a pack of gum—everything you might need in a pouch. Created by women, for women, we understand the challenges of busy lifestyles and the occasional forgetfulness. This compact pouch ensures you're always prepared, offering convenience and peace of mind wherever life takes you.
